Magazine of the Year (Hard Copy only)

The Magazine Award categories (both weekly and non-weekly) seek to recognize the importance of editorial team effort in producing high quality publications for every sector of the construction, property and architecture industries, during the year ending 31 August 2017. Commercial and membership subscription magazines are eligible for both magazine categories.

The weekly and non-weekly categories specifically encourage entries from specialist publications which are published weekly (weekly category only) monthly, quarterly or produced 6 or 10 times (non-weekly category only) during the year ending 31 August 2017.

In both categories, the editor should include a statement clearly outlining why he/she believes the magazine has substantially covered the market sector during the year ending 31 August 2017 with investigative reporting, features and news stories.

To support the above the editor should select any three issues, (Five copies of each issue) covering the period year ending 31 August 2017 which should demonstrate use of research, choice of subject, photography, design and layout. Each set of four copies (three issues) should be accompanied by the editor's statement and a copy of the completed entry form.
